

## WHAT YOU CAN DO TO IMPROVE YOUR MARK

You can send **full** screen captures of English exercises done on-line (to which you have access at

<http://www.usingenglish.com/comprehension/intermediate.html> ,

or other sections with on-line correction option in

<http://extrawork.wikispaces.com/>) **Do not cut the screen** capture, just paste it on a document. Capture the screen you get when you are graded or when the results are shown as in the example pasted below.
